APPLIED SUICIDE INTERVENTION SKILLS TRAINING (ASIST 11)

CT Consulting

ASIST is a 2-day intensive, interactive and practice-dominated course designed to help individuals recognize the risk of suicide and learn how to intervene to prevent the risk of suicidal thoughts from becoming suicidal behaviors. Suitable for all persons in positions of trust: health professionals, social service workers, teachers, counselors, youth workers, police and correctional staff, and community volunteers. Prepared caregivers can help prevent suicide. Includes a Suicide Intervention Handbook and a certificate.

Workshop features:

- Presentations and guidance from two LivingWorks registered trainers - Lucy Rodrigues and Diane Cimetta
- A scientifically proven intervention model
- Powerful audiovisual learning aids
- Group discussions
- Skills practice and development
- A balance of challenge and safety
